BETHEL AREA YOUTH SOCCER ENDS SECOND SEASON

The Bethel Area Youth Soccer League, sponsored by the Bethel Recreation Board, ended its second season, Sunday, Oct. 3, at the Telstar Athletic fields.

The young soccer players are to be commended for the fine sportsmanship displayed throughout the season. All coaches and parents involved were amazed at the improvement made by all those involved in the past two years. Many parents and friends gathered each Sunday to watch the teams match skills, learn tactics, and endurance in some intensely fought games. But never did the players lose sight of the main objectives of the game—fun and participation.

On behalf of the Bethel Recreation Board and the 72 players who participated, Robert Remington thanks the following for all they did to make this second season a success: Charlie Newell, Les Otter, Rick Roy, Dan Hammon, Don Angeline, Tom Remington, Greg Cummings, Henry Dombkowski, Larry Arsenault, Jim Holden, Karl Barth, Brandon Salway, Ken Whitney, Rocky Myers, Charles Neilson, John Chase, and Anita Remington.

CO-ED VOLLEYBALL STARTING OCT. 19

The S.A.D. 44 Adult and Community Education program will begin a six-week season of Adult Co-Ed Volleyball on Wednesday, Oct. 13 in the Telstar Regional High School Gym. The season, modeled on last spring's successful Mud Season League, will offer adults the opportunity to play volleyball as members of teams, with weekly standings determined and an overall winning team determined at the end of the season. 30 people have already enrolled in the Volleyball League. Others interested should call the Adult and Community Education office if possible, 824-2136, or come to the gym on Oct. 13. It is essential to come to the Oct. 13 session, as teams are formed, and it is not possible to join after the first week. Reactions to the Mud Season Volleyball League held last spring were overwhelmingly favorable, as the activity proved a good way to exercise and meet new people. Many couples and family groups joined together, however, enrollment is limited to those people who are not enrolled.

THIS WEEK AT THE MOSES MASON HOUSE

All members of the Bethel Historical Society and others interested are urged to attend the monthly meeting this Thursday evening (Oct. 7) in the meeting room, starting at 7:30. As this is the annual "What's It" night everyone attending is urged to bring an unusual item from the past for display and discussion. There will also be an archaeological exhibit from the Maine State Museum set up in the meeting room as well as slides of old photographs will be shown if time permits. Refreshments will follow the program.

One of the least-known assets of the Moses Mason House is the archives of the Bethel Historical Society housed in a room on the second floor above the meeting room and named in 1976 for the Society's founder, Eva M. Bean (1895-1969). Preserved here are letters and deeds from the 1700's, posters of the 1870's, diaries of the 1950's, maps of the Bethel area in the late 19th century, account books of the 1890's, and photographs from the 1870's. Also found here are the notebooks of Miss Bean, eight area newspapers on microfilm, indexes of Bethel.

Elderwood Manor Notes
Mr. and Mrs. James Hines, former residents of Elderwood Manor, were overnight guests of Mr. and Mrs. Norman White.

Stephen Hall, Bethel, Conn., called on his aunt, Fannie Hall, Sunday morning.

While looking through some old newspaper clippings, Miss Florence Hall, found this interesting clipping: The North Oxford Agricultural Society Fair of Andover, Sept. 22 and 23, 1918, 1,000 tickets were sold at the gate. The first North Oxford Agricultural Society Fair was held in 1894. The Fair was held for two days: Admission was 50c for adults and 35c for children. The Association continued to hold fairs until 1940. In 1944 an interested group started again. This group had fairs until 1949. These fairs were held on the grounds where the former David White mill now stands.

All Elderwood Manor tenants were routed at 8:30 on Monday, before some of them took off on other business, to share with Florence Hall a 24 lb. cabbage and 14 lb. cauliflower raised by Cam and Carl Harrigan. Now Florence is wondering if any of the members of the "Back Street Lawn and Garden Club" could top these sizes. Maybe now they might let her join that exclusive club.

Mrs. Bernice Glover received word of the death of her son-in-law, Arthur Thurston, at Lodgeview nursing home on Oct. 4.

NEWS FROM ADULT AND COMMUNITY EDUCATION

The S.A.D. 44 Adult and Community Education Advisory Council met on Wednesday evening, Sept. 29, at Telstar Regional High School. Agenda items included promotion of the Energy Series and Small Business Series. The Energy Series will be held on Tuesdays throughout the District during Energy Conservation Month (October), and the Small Business Series will be held on Wednesdays for three weeks starting Oct. 14. Individual Council members volunteered to attend sessions to introduce speakers. The fall schedule was reviewed, and plans made for future offerings. Following the meeting members visited the Rug Braiding class, taught by Virginia Deagle, and the Current World Problems class taught as part of the Adult High School Diploma program by Rod Abbott.

"Class of the Week" designation this week goes to the Sheep Raising class taught by Suzanne Lapan. This is a new offering, responding to the growing interest in raising sheep for food and for wool. Mrs. Lapan is assisted by her husband, John. The class will visit the Lapan farm later in the term. Most of the students are seriously interested in getting into sheepraising, and the class is giving them a chance to learn and to have questions answered.

Much attention is being given at the Adult and Community Education office to the upcoming Conference on Law Enforcement and Public Safety to be held at Telstar on Oct. 18. An outstanding group of speakers and resource people will be coming to the day-long event, and the planning committee hopes for a good turnout to attend. The Conference has been planned for the concerned citizen as well as for law enforcement personnel, officials and teachers. It offers a unique opportunity to learn from and share concerns with leaders in law enforcement and safety from county, state and national levels. To enroll, phone the Adult and Community Education Office, 824-2136.

Sunday River

— Jeannine Fleet, Corres. —

Mr. and Mrs. Scott Dennis are proud parents of a baby girl born Oct. 4. The baby's name is Erin Elizabeth. Proud grandparents are Mr. and Mrs. Jack Dennis, Sunday River, and Mr. and Mrs. Ron Kendall, Bethel.

Nancy Dennis and her parents, Mr. and Mrs. Gordon Mallar, went on a foliage ride to Rangeley on Thursday and had lunch. They traveled by way of Errol, N. H., Upton and Newry.

Guests of Nancy and Jack Dennis for the week end were Bonnie Dennis of Lewiston, Steve Foss of Wales, Debbie Dennis and Andy Reed of Portland, Mr. and Mrs. Gordon Mallar of Naples.

Miss Penny Fleet babysat for Darnita Yates on Saturday and Sunday.

Mr. and Mrs. David Fleet called on Julia Fleet at Ledgewick and found her doing real well.

Reed - Dennis

Debbie Lynne Dennis was united in marriage to Andrew Gordon Reed in a candlelight ceremony at the home of the bride's parents, Nancy and Jack Dennis of Sunday River. The ceremony was performed by the groom's mother.

Andrew is the son of Joan and John Reed of Portland.

Bonnie Dennis was the maid of honor for her sister and Bruce Cary of Portland, friend of the groom, was best man.

Friends and family attended from Portland, Lewiston, Naples, Harrison and Bryant Pond.

A cake decorated in lavender and white decorated the buffet table.

Lisa Reed, sister of the groom, circulated the guest book.

On Sunday a surprise baby shower was held for Sandra and Scott Dennis at the home of Scott's parents, Nancy and Jack Dennis of Sunday River. A buffet lunch was served and a cake decorated in a baby theme was the center of the buffet table. After lunch, Sandy and Scott opened many beautiful and useful gifts. Relatives attended from Harrison, Naples, West Paris, Portland, Lewiston, Wales and Bethel.

Brad Harrington celebrated a birthday on Friday, with Maude Harrington, Penny Fleet, Mr. and Mrs. Ralph Harrington and children, Julie Daye and Sharon, and his parents, Gabe and Linda.

Sharon Daye was home from CMVIT for the week end.

It has been a busy week at the Russell Yates Household this past week.

Esther Balentine and Ernest Stevens called for a short visit, one afternoon. They had been riding to see the foliage. Other callers during the week were Laura Hutchins, Barbara Yates, came in for just a few minutes and Jeannine Fleet made a dooryard call to get little Eva Yates on Saturday.

Russell and his sister, Viva, went to Norway Thursday and packed some of her things to move to Bethel, where she will be staying with him. They also went to Harrison to the doctor's.

Friday saw us on the road to Fryeburg, but we went by way of Evans Notch. The foliage was beautiful, so we decided to enjoy it while we can. It probably won't last much longer.

Saturday was another busy day, as Russell and Edwidge Yates went to Norway to help Viva's son-in-law move furniture to Bethel. Her daughter Nona came along for the ride. Also, little Eva Yates stayed with Viva, until Jeannine came to pick her up.

In the evening, Russell, Viva, and Penny Blake went to Bear River Grange Hall at Newry Corner, where they participated in a musical variety show.

We are sorry more people didn't come, as it was a great show with lots of beautiful music, skits, and jokes, as well as the awarding of prizes. Prizes were received by: 1st, Ethel McKenzie, Bryant Pond, black and white TV; 2nd, Walter Fossett, out of town; 3rd prize, Viva Whitman, now of Bethel.

Everyone had a good time and got to see a nice long show, as it lasted for well over two hours. We didn't get home until after midnight, but got up Sunday morning and decided to go to Fryeburg Fair for the day, after the wash was done.

So Russell, Viva and Peggy took off, and had a great day watching the horse show, sheep dog trials, and so many other things. It seems as though the Fair gets larger every year. Got home in the late evening, tired, but happy the day had stayed good for all who wished to go. It was a very nice outing for us.

— Kathy Bennett, Corres. —

What a beautiful October morning! A nippy feeling in the air, sky is so blue and the foliage is simply beautiful.

There is only one thing that adds a touch of unpleasantness to the otherwise beautiful day—a visit from a skunk last evening and the odor still permeates the atmosphere!

Albert and Elina McAllister attended the funerals of Grace Davis, Elina's aunt, and John Grover this last week.

Mr. and Mrs. Charles D. Merrill called on Barb and Howard Inman Saturday evening.

Ball activities are well underway at K-D's Acres. The wood shed is nearly full, and vegetables are all harvested except the potatoes, carrots and beets; tulip bulbs are planted—but the can-

ning and pickling, and freezing goes on-and-on-and-on!

Callers last week were Marguerite Conley, Kevin and Margie, Pam and Dale Barton, Jeff Barton, Brett Barton, Margaret Barton, Barbara Inman, Christine and Elton Cole, Megan and Marie Ellen.

Have a good week everyone!

ADULT AND COMMUNITY ED. SPONSORING MINI-SERIES

The S.A.D. 44 Adult and Community Education program, in cooperation with the Greater Bethel Chamber of Commerce, is sponsoring a three week mini-series, Small Business Issues, which will be held on Oct. 13, 20 and 27, at Telstar Regional High School from 6:30 to 8:30 each week. The first session will be presented by Paul Bianchini of the Small Business Administration in Augusta. He will outline many problems common to small businesses, and identify sources of assistance. At the second session, a panel of local people, bankers Roger Conant and Jim Delamater, local businessman Garrett Bonenna, and Bethel Chamber of Commerce president will offer advice from a local perspective. The series will conclude with a program by the Maine State Development Office entitled "A Checklist for Doing Business in Maine." Both the Small Business Administration and the State Development Office will have materials for hand-out and examination pertaining to small business issues. The S.A.D. 44 Adult and Community Education Advisory Committee hopes that local individuals who are involved in a small business or who are contemplating starting one will find the mini-series useful, and that future topics for adult & community education programming will be generated by the series. To enroll, call the Adult and Community Education Office, 824-2136, between 8 and 2, or after 6.

SAVE MONEY THROUGH
WARMER WINDOWS

One of the greatest areas of heat loss in any home is through the windows. Two "Warmer Windows" workshops will be held this month in S.A.D. 44 to show people how to stop heat loss and save money. Richard Ray of the Maine Energy Extension Office in Lewiston feels his presentation, "Warmer Windows" can help people save money by making their homes more energy efficient. The demonstrations feature types of window treatments including insulating shades and shutters. The simple home-owner projects are easy to do and cost very little.

Warmer Windows presentations are free and will be held at the Andover Elementary School on Tuesday, Oct. 12, and at Telstar Regional High School in Bethel on Tuesday, Oct. 26. For further information, call the Adult and Community Education Office, 824-2136.

NOTES FROM

Evans Notch

White Mountain National Forest

Fiscal Year 1982 has ended, and the Evans Notch Ranger District of the White Mountain National Forest presents the following "Annual Report" to you, the "shareholder."

In timber management, approximately one-third of the 50 million board feet (MMBF) of blown down timber has been salvaged. Eighteen MMBF were sold, with another three MMBF to be sold in FY 83. Nearly 1,100 acres were reforested or improved, while 9,000 acres were examined to identify resource needs.

Utilizing volunteers, Youth Conservation Corps enrollees, and District personnel, 481 acres were improved specifically for wildlife. Management plans were prepared for the Patten Marsh Impoundment and the District's demonstration area. The Patten Marsh Plan was implemented with resulting improvement in food and cover for wildlife species.

Eighteen recreation areas (shelters, special uses, campgrounds, picnic areas, overlooks) were operated and maintained for public use. Vegetation management plans, designed to maintain a safe and aesthetically pleasing forest, were approved for two campgrounds. Over 100 miles of trails were

FOUR MEMBER COMBO AT
D. W. McKEEN'S OCT. 8-9

D. W. McKeen's has announced a special two day appearance, in their lounge, of the delightful combo, "Sierra". The group has recently returned from an extended tour of the Canadian Provinces and will be leaving soon to fulfill overseas engagements. Sierra consists of four outstanding musicians: guitar, bass and keyboards. All four members are excellent solo lead vocalists and they combine their talents in harmony and unison vocals.

While appearing at D. W. McKeen's, Sierra will present a wide variety of music and songs, including Top 40's, 50's, rock, country, jazz, standards and contemporary. Because of their extensive repertoire and the large amount of electronic equipment which they carry, the group promises to provide two evenings of very enjoyable entertainment.

COMMENDED STUDENTS IN
THE 1983 MERIT PROGRAM

Warren Bouchard, principal, Telstar Regional High School, has announced the names of two seniors who are being commended in the National Merit Scholarship program. Letters of Commendation will be presented to Sean Kersey (left), son of Mr. and Mrs. Timothy Kersey, Paradise Road, Bethel, and Leslie Olson (right), daughter of Mr. and Mrs. Melvin Olson, East Bethel, who placed among the top 5% of the participants in the 28th nationwide competition.

The students being commended this month, who are now beginning their final year of high school, entered the 1983 Merit Scholarship competition by taking the qualifying test in 1981. Commended participants scored high,

but slightly below students in their respective states who qualified as Merit Program Semifinalists. Sean has been active in Student Council, drama, various athletic activities, and class activities. He has been a delegate for Girls State and hopes to attend Massachusetts Institute of Pharmacy. Sean is president of the Student Council, a member of the Drama Club and Band. He has been active in athletics and hopes to attend Dartmouth.

maintained, with three miles receiving major rehabilitation. Handicapped access was provided at Basin Campground. Over 1,500 requests for information were answered, while 110 people came in for a free firewood permit.

A major planning effort, preparation of the Forest Land Management Plan, received heavy emphasis in FY82. The Draft Plan will be published in the near future. Public involvement has been sought at every step and will continue until the Final Plan is completed in January, 1983.

Major challenges will be addressed in FY 83 including the continuing salvage effort, subsequent reforestation, wildlife habitat improvement, and planning the reopening of ski, snowmobile and hiking trails obliterated by the 1980 windstorm. Volunteers will play even greater roles in enhancing National Forest resources for the American people. And though out all efforts, we will keep you informed and seek your involvement as a "shareholder" in your National Forest.

Letters to the Editor

Curry College
Milton, Mass. 02186
Sept. 28, 1982

To the Editor:

I never met Eva Yates, but like many other "Citizen readers" I came to know her very well indeed and look forward to her weekly columns.

For a good many summers I have passed her home almost daily on my way to swim at Artist's Bridge, but it was only this past July that a passenger pointed out the house where Eva lived. Thereafter on every trip I found myself wondering how she was and thinking that I must drop her a "get well" line. That line was never written, and now it is too late.

Eva's Sunday River notes were unique. The zest for living they conveyed was remarkable. Her love for people and places, and her obvious joy in sharing her feelings and experiences with others irradiated every line. I wish my college students expressed themselves with half her clarity and vigor. To learn (as I have from her daughter's moving tribute) that these lines were written by a person with limited vision who never reached high school makes them seem even more remarkable.

I shall miss the "go shoes," the humor, the humanity of Eva's weekly columns. Most of all, I shall continue to regret that I never met her or told her of the pleasure she had given me. She might have gotten a chuckle or two from learning that a college English professor was one of her most faithful readers.

Sincerely,
Edward H. Hastings

Rep. Don Twitchell has received the following letter supportive of his Senate District 5 candidacy: "You deserve to enter the Senate."

"You have done the work and have truly represented the people. Your slogan should be 'Friend of the friendless, champion of the poor.' In helping the elderly, the senior citizens who have contributed so much to the building of America you now deserve their support."

"Let the elderly know it was your party that gave them the Social Security and it was your party that built it up and it will be public servants like you who will fight to protect it for them."

"In the year 1983 the entire campaign was 'against' the Social

To the Editor:
Lately we all have been bombarded with a barrage of signs and letters to the editor pushing the candidacy of one Donald Twitchell for State Senate, District 5. In all the hoopla, however, there is one thing missing—the candidate. Where is he and where does he stand on the issues???

Please contrast this with the campaign of Alanson "Mickey" Noble who is the Republican candidate for the District 5 Senate seat. Mickey has been to Bethel, Locke Mills, West Paris, Bryant Pond, and all points in between—meeting with individuals, groups, at meetings, and in the mills—talking about the concerns of the voters, taking note of their ideas, and getting a true feel for the direction he should take as our next Senator.

I for one, will vote for the man who will take the time to get out and meet people who will listen, and who will act in our behalf after the election. I will vote for Mickey Noble for State Senate and urge others to do the same.

Sincerely,
Annie Brown

The C.D.B.G. program has existed for six years and has been administered in this area by the New Hampshire office of the Department of Housing and Urban Development. However, this year C.D.B.G. is one of nine federal block grants (\$10 million) now being administered by the State. Of this grant \$5.7 million was made available to small towns on a competitive basis where projects would show fulfillment of one or more of the following objectives: the provision of decent, affordable housing for low and moderate income residents; the revitalization of deteriorated residential and business districts; or construction of public facilities. Of the 72 towns that submitted project applications, about 20 were funded. Although many local projects were studied, no Bethel application was forwarded.

North Paris**— Eveline B. Vatcher, Corres. —**

October's bright blue weather is with us. A very heavy frost at our house Sunday morning. Had to scrape the heavy frost from the car door and windshield at 8 a.m. when we went for the paper. The red delicious and McIntosh apples should color up now. The orchards are full of pickers.

On Wednesday morning as we waited for the cattleman at Trap Corner, we saw the Maine Forest Service helicopter circle overhead and turn around, so we drove down the road to see where it had landed. It landed in the field in

front of Lodgeview nursing home. They had been out looking for marijuana plants. I hope the youngsters at Lodgeview didn't plant a garden on the sky.

Mr. and Mrs. Everett Vatcher, Lynchburg, Va., and his aunt, Mrs. Ella McLeod, Saugus, Mass., called on his brother, Joseph, and Eveline, and sister-in-law, Rhoda Vatcher on Tuesday afternoon.

Mr. and Mrs. Verna Harta have had a new steel roof put on their house this past week.

All roads will lead to Fryeburg Fair this week and we hope the weather man will be good to us. Tuesday was Senior Citizens day and several from our little hamlet attended. Joe Vatcher took his folding wheel chair, just in case. Never know when the older folks will get tired. Foliole should be beautiful. The Senior Citizens dinner and meeting scheduled for Oct. 5 at the Country Way was postponed until a later date in October, due to something about the water.

Greenwood City**— Mrs. Colista Morgan, Corres. —**

Last night, as the sun was sinking across the canvas of the western sky, the clouds became glowing colors, a blaze of crimson. I walked outside to see better the sky and the colors in the water. The spacious domes of the mountains were slowly transformed, changing from greenish gold to fiery red, yellow, and orange.

There came to me the whirr of wings, then the splash of water. The ducks in the reeds. Nothing wildly thrilling, no exciting happening, just a simple pleasure. I watched the change, some times all was golden tinted then again with shadows overcast. Facing toward the house the windows became like gold. For a time nothing had marred the harmony from the mountains in blazing glory, to fading twilight as another day made its exit in this riot of splendor. How perfect to remember.

Going to the fields and hills next day I stood to look at another parade of nature. Trees in golden-yellow, red and russet brown were spectacular, as they basked in this autumn sunlight.

I noticed a gray paper cone, a nest of hornets swinging at the tip of a supple branch.

Goldenrod heads stood beneath and mullein stalks swayed tall. Could this be real? There I stood enraptured. As far as I could see there was a picture of Mother Nature's pictures.

One who walks a country road on golden days in October finds it one of the most appealing of nature's pictures.

I came back the Bulldozer Road, homey and intimate. One day this week Zilpha Di-

day, Sept. 30, but still, 41 boarded the bus at the Old Oxford Village, Friday, Sept. 24 by his sister, Kay O'Leary. Those present were Stanley and wife Elizabeth, Mr. and Mrs. Frank Pike Sr., Bridgton, Clyde Stanton Jr., Chrysal Lord and Jo Sanderson, North Waterford and the hostess, Kay O'Leary, Paris Hill Apartments. A lovely luncheon was enjoyed by all.

Arenzo came to see me. She had been inspired by the beauty of her surroundings and sat down on her return home and wrote this poem. It expresses much, and I'd like to share it with you.

As I walked along the roadside shore,

On this lazy September morning
A partridge, in frenzy, arose from the brush
My footsteps were a warning.

The mountains in the distance
Were veiled in a sea of mist
Until the sun broke through a cloud

And the tree tops gently kissed.
The misty veil was swept away
Like a thrust from a fairy's wand.
The mountains then stood straight and tall.

Reflected in the pond,
Leaves are turning red and gold
For Nature's fashion show
Bees were humming and crickets chirped

For they all seemed to know
That days are growing shorter
And soon—cold winds will blow.
The sun has gently warmed the day

Evergreens perfume the air
Ducks are nesting in the weeds
There is beauty everywhere.
Scarlet leaves and the balsam's scent

Oh, long may I remember
The walk along the roadside shore
On this day in late September.

GOULD SOCCER TEAM HITS CENTURY MARK

The Gould Academy varsity soccer team won its 100th victory Wednesday afternoon, Sept. 29, with a solid 6-3 win over Hebron Academy. The visiting Huskies opened the scoring with an early goal in the first period by Oliver Fisher, assisted by Dwayne Martin. With just 50 seconds left in the period Hebron knotted the score at 1-1. The host team then took an early second period lead 2-1 which, however, did not last long. Mike Senese tied the game at 2-2 and Tom Perry with an assist from Fisher sent Gould into a 3-2 lead at the half. Five minutes into the second half, Hebron again tied the score, but that was to be their last scoring effort as the Gould Huskies came on strong throughout the rest of the game. One minute after Hebron's score Mike Senese took a soft chip shot from the toe of Luis Locsin and out jumped the Hebron goalie to head the ball into the net, just below the cross bar. Oliver Fisher then scored his second goal of the game assisted by David Merrill and Senese completed a hat trick by scoring his third goal, and Gould's sixth, on an unassisted play with 15 seconds left in the game. The 100th win covers a 10-year span since soccer was introduced as a varsity sport in 1972. Gould out shot Hebron 21-13 and had the edge in corner kicks 7-2. Gould goalie Mike Angell had 10 saves while his Hebron counterpart stopped 13.

LAKE REGION 4 - TELSTAR 1 IN SOCCER

Senior forward Ray Gilson scored four goals leading Lake Region to a 4-1 victory in soccer action at Lake Region, Saturday, Oct. 2.

The Rebels took the opening kick off and dominated play throughout the first quarter while keeping the ball on the Lakers half of the field most of the time. Josh Putnam scored the lone Telstar goal as he broke past the Lakers defense and fired the ball into the corner of the net.

But early in the second quarter Lake Region made a position change moving Gilson from a back to a forward. From then on the game changed as the Laker forward scored once in the second quarter and three times in the 3rd. Shots at goal were even at 18-18. Lake Region goalkeeper Artie Adams, made eight saves while Brandon Salway stopped four for Telstar.

The loss left the Rebels with a 2-1 record with six games left on the schedule.

Sophomore Jonathan Head was the Rebel standout with outstanding defensive play and senior Ron Savage was cited for his enthusiastic team play.

One of the interesting donations this week includes a brochure advertising Dr. Nathaniel T. True's "The Highland Family Boarding School for Boys" (1861), a gift of Earle G. Sheldsworth Jr., Augustus. Some of the information provided: "The principal having closed his connections with Gould's Academy, has established a family boarding school for boys, in a retired but pleasant spot in the village of Bethel Hill, Me., three-fourths of a mile from the G.T.R. station. The location is remarkably healthy, the grounds ample, and well supplied with trees and shrubbery, and the rooms are new, large, airy and well furnished. It is his design to make it a pleasant home for the boys, carefully adopting every recreation to the intellectual wants of the pupil, without which but little really valuable can be acquired, sympathizing with them in their sports, which will be furnished in sufficient variety, and stimulating them in their physical, intellectual and moral development to high and noble purposes for the future. With this idea before him, parents and guardians are invited to address him by letter, or visit with him personally, when such arrangements will be made as shall be mutually satisfactory." It is not known how long Dr. True's school lasted but the tuition was listed on the brochure as being \$50 per term. The site of the school was at True's home which he built in the 1850's. It was destroyed by fire in 1886 after his death, and his daughter and husband (John George and Marian True Gehring) built the present home on the site, now the headquarters of the National Training Laboratory.

STEPHENS HOSPITAL ANNOUNCES FIRST HEALTHY LIVING PROGRAM OCT. 12

The Stephens Memorial Auxiliary will sponsor the first 1982-83 Healthy Living Program, "For Women Only", Oct. 12, from 6 to 8 p. m. in the Health Education Department at the hospital.

Breast self-examination and the pelvic examination, including the Pap test, will be the emphasis of this program. Participants will view film strips on both these topics and through the use of synthetic models learn how to perform a breast self-examination. Instruction will be by Linda Snow, R. N., Nurse Practitioner, and Martha Farrington, R. N., Health Education Director.

The program is offered free and is one every woman should attend. Examining her breasts once each month and having a yearly pelvic exam are two things a woman can do for herself to detect problems early before serious damage results.
